Key Features

Plug&play

Built-in 3 meters long USB cable, plugand-play with any PC or UC platform.

Built-in omni-directional microphone

Hear and be heard with a 360 degree microphone that picks up sounds from any angle.

Digital Signal Processing (DSP) Technology

Digital Signal Processing (DSP) provides natural voice sound and echo reduction.

HD Voice / Wideband Audio

HD Voice lets you have lifelike, vibrant conversations. You will not have to struggle to hear what the other person is saying.

Built-in USB hub

Don't worry if the USB port is not enough on your UC device, you can easily connect mouse, keyboard and U-disk on POD mini.

LED Indicators

Intuitive LED indicators give you visual guidance.
